Here is a combination bull with plenty of extras. Mr Storm presents plenty of power, dimension, rib and performance in a sound functional package. This bull is great in phenotype but loaded in pedigree, sired by the great Firestorm bull from Thomas Ranch that has done nothing but generate money with progeny. WR MS Betty 9035 is a past National Champion for J6 Farms and continues to be a leading donor. The only flushmate heifer to this bull sold for \$10,000 in the 2015 Legacy Collection Sale. Dark cherry red, sound, great pedigree, power and structure. What more could you ask for to improve and progress any cowherd? Don't watch im breed your neighbor's cows.

Retaining 1/3 semen interest.
